Freelance or Student Copywriter (m/w/d) 10-20 hours / Month

Convex Energy is operating in the energy sector, where we are active in the European Commodities markets. The team consist of commodities traders, data scientists and software developers.

We are looking for a Freelance or Student Copywriter (m/w/d) to support our company in creating and updating content for our website, writing press releases and job adds. This is the perfect role for you if you are creative, passionate about writing and looking for the freedom that comes with the job description.

You will get responsibility for your own projects and get practical, hands-on experience in a young and multicultural team.

RESPONSIBILITIES:
• Create and update online content
• Maintain and develop our online presence
• Writing press releases
• Writing job adds

QUALIFICATIONS:
• You are a native English speaker with strong communication skills, particularly in writing
• You have proven experience in the field of copywriting and can show a track record
• You are based in Berlin and able to work from our office in the beginning

EXPECTATIONS:
• You are a positive and energetic team player
• You live to write and take pride in maintaining a high standard in your output
• You have a strong creative and conceptual thinking

WE OFFER:
• An international working environment in two very dynamic sectors: energy and software development
• Compensation according to qualifications
• Flexible schedule

If you match the qualifications above, we are looking forward to hearing from you as soon as possible. If you have questions about the job, please e-mail jobs@convex-energy.com or call +49 (0) 307 89 5252-40. Deadline for application is July 1st, but we will be screening candidates on an ongoing basis.
